

Fulltime Teacher for Montessori Elementary School

The Montessori Life School - a place for feeling good:

We are a private school located near Lake Zurich, specially designed to meet the needs of children. Classes are held in mixed-age groups: Toddler Community (0.5 - 3 years), Children's House (3 - 6 years) and Primary (6 - 12 years). Our AMI certified Montessori teachers are guided by the international Montessori curriculum and the national "Lehrplan 21". The goal is to accompany children in their development through close observation and individual support. In doing so, we assist children at assuming independence and responsibility for themselves, society and the environment. The spacious, green area and bright, large classrooms offer the children plenty of room to develop.

Fulltime Teacher for Elementary School:

To complement our team, we are looking for a teacher with a big heart and mind to accompany children in their development with empathy and respect according to the teachings of Maria Montessori, starting 01.08.2021 or earlier. Requirements are an optimistic attitude, reflectiveness and willingness to cooperatively with our team implement the Montessori philosophy on a daily basis.

The ideal job candidate will bring with them:

- Fluency at least in German, English or French; better bi- or multilingual.
- A teaching diploma for the primary level or experience in working with children
- The AMI Montessori Diploma 6-12 or the willingness to complete this training part-time. Financial and practical support for the training is available
- Ability to work in a team and strong communication skills
- Flexibility, ability to work under pressure and leadership skills
- Motivation and commitment

We offer you:

- Excellent general conditions
- Opportunities for further training
- An informal, innovative, open, supportive teaching staff
- Good support from the team and the school management
- An interesting field of activity with a great deal of creative freedom
- A permanent position
- Full, healthy lunch is provided
- A culture of active feedback
